EMPLOYMENT OPPORTUNITY

RN EC Registered Nurse

Anishnawbe Health Toronto, an accredited community health centre seeks a **RN EC Registered Nurse** who will function as an effective member of a multi-disciplinary health team.

The RN EC Registered Nurse will be responsible for, but not limited to:

- Provide appropriate treatment based upon health history, physical examination and diagnosis
- Management and follow-up of client's treatment regimen
- Provide counseling, education, advocacy, health promotion, internal referrals and follow-up
- Perform duties within the clinic, at outreach sites, through home visits, during client hospitalization and through the Babishkhan (outreach) unit as scheduled and through on-call duty
- Contribute to the development of policies, procedures, protocols, medical directives and best care practices
- Develop programs for health promotion and disease prevention for high incident pathologies, i.e. tuberculosis, hypertension, diabetes and addictions

Demonstrated Knowledge and Skills:

- Strong work and organizational skills
- Advanced oral and written communication skills
- Strong consultation and collaboration skills
- Strong advocacy skills
- Ability to function independently within profession's established parameters
- Computer skills (minimum intermediate level) with Purkinje software knowledge an asset
- Knowledge and appreciation of health and other issues facing Aboriginal communities such as the effects of the post colonial and residential school syndromes
- Appreciation and understanding of homelessness

Qualifications:

- RN EC Registration with the College of Nurses of Ontario
- Ability to travel to work locations away from assigned office (driver's license an asset)

Please submit resume to Jane Harrison, Manager WAASHKESHUUYAAN Unit , Anishnawbe Health Toronto, 225 Queen Street East, Toronto Ontario M5A 1S4, Email: jharrison@ah.t.ca, or fax: 416 365-1083.
